

Artur Mirabet

Barcelona | [linkedin.com/in/amirabet](https://www.linkedin.com/in/amirabet) | github.com/amirabet

Frontend Developer with over 15 years of experience. I develop web applications and component libraries using Angular, Blazor, and CSS. I follow Clean Code principles and Agile/Scrum methodologies for technical and functional analysis. Empathetic team player with product vision.

Professional Experience

Eurofirms Group | People first Frontend Developer

Cassà de la Selva
March 2022 - Present

- Implement web applications and modules for ERPs and CRMs, working with backend teams to perform CRUD operations for API queries.
- Develop and maintain a component library without third-party dependencies for multiple products.
- Implement AA Accessibility criteria in various products, improving the experience for all users.
- Collaborate on the adoption of AI agents in the frontend team's development workflow.
- Perform technical and functional analysis of tasks including estimation, planning and workload segmentation.
- Participate in the application of development best practices: SOLID, Clean Code, pair programming, testing, semantic versioning.
- Write technical documentation (Wikis, HowTos, PoC) to standardize department practices and share knowledge.
- Apply CI/CD strategies and pipelines in Azure DevOps: NuGet and NPM configuration.
- Mentored a junior developer for 1,000 hours in an official dual training program.

DRAGCLIC, SL Front End Developer - UX/UI specialist

Sant Adrià de Besòs
February 2016 - February 2022 (6 years 1 month)

- Developed modules for an online ERP aimed at security forces based on MVC/Razor Pages.
- Performed the dual role of a UX/UI specialist, designing and implementing the product's interfaces.
- Implemented geolocation functionality and real-time data visualization using the Google Maps API.
- Created views for the mobile application using Xamarin and Android Studio.
- Collaborated in the growth of the digital product from the startup phase to its consolidation.

aMirabet Branding, Web and Online Marketing

Barcelona Province
September 2009 - December 2015 (6 years 4 months)
